

Summer Burning Field Day

Tuesday, July 20th

Meet at the Carneiro Methodist Church at 8:00 am

Why would anyone burn in summer?!

- Will summer burns hurt the grass?
- What are the livestock benefits?
- Will green grass even burn?

To find out the answers to these and other questions plan to attend the summer fire field day Tuesday, July 20th in Carneiro, KS

Field Day Agenda

- 8:00 am Registration & Breakfast
(Biscuits and Sausage Gravy)
- 9:00 am Presentation of Research Results
- 10:00 am Depart for tour of recent July burn at Mushroom Rock State Park
- 11:30 am Depart for prescribed burn unit located near Ave. I and 22nd Rd.
- 12:00 pm Observe a 25 ac summer burn
